

# Registration & Commitment Form

**Commitment:**

With my signature below, I am committing to participate in Power of 100 Women - River Falls and make a personal commitment to:

- Contribute \$100 twice a year, totaling \$200 annually, to local nonprofit organizations that serve our community, as selected by the majority vote of the group.
- If I am unable to attend a meeting, I will either send my payment with another attending member to deliver on my behalf, mail it to the address provided on this form, or use Venmo to send it to Power of 100 Women - River Falls within 10 days of the meeting.
- I understand that my \$100 contribution on meeting night will be combined with contributions from other members, creating an impactful donation totaling over \$10,000, which will be referred to as the "impact award."
- I acknowledge that photographs and videos taken at events and meetings may include my image and could be used in promotional materials for Power of 100 Women - River Falls.
- I commit to a two-year membership in Power of 100 Women - River Falls. If I wish to discontinue my membership after the two-year commitment, I will email [powerof100riverfalls@gmail.com](mailto:powerof100riverfalls@gmail.com).
- I agree to pay the annual membership fee for Power of 100 Women - River Falls. This fee supports the operational costs of our group and may change each year; for 2026, the membership fee is set at \$20.
- Your personal contact information will remain confidential, except when shared with the presenting nonprofits for the purpose of sending receipts.
